High School Profile

THE COMMUNITY

Middleburgh High School services a rural community with a population of approximately 2,500 people, which includes Middleburgh, Preston Hollow, Fultonham, Huntersland, Livingstonville, West Fulton, and Breakabeen. It is the only high school serving Middleburgh Central School District. The district is located in the mid-eastern portion of Schoharie County..

OUR SCHOOL DISTRICT

Middleburgh High School is a public school that is comprised of grades 9-12, with approximately 200 students enrolled. The school is accredited by the New York State Department of Education and the Middle States Association of Colleges and Secondary Schools.

MCSO has been named a Community Eligibility Provision (CEP) district by the New York State Department of Education. To qualify for CEP, over 60% of MSCD households meet the low-income threshold.

2024 CUMULATIVE GPA

3	Above 95
9	90-94.99
11	85-89.99
12	80-84.99
13	75-79.99
2	Below 75

ENROLLMENT

Total Enrollment	Grades 9-12	201
Class of 2025	Seniors	51
Class of 2024	Graduates	50
Class of 2023	Graduates	43
Class of 2022	Graduates	63

DISTINCTION

MCS has been honored with the prestigious New York State Public High School Athletic Association Inc. (NYSPHSAA) School of Excellence Award for the 2023-24 school year. This recognition is awarded to schools where at least 75% of varsity teams qualify for the Scholar Athlete Team Award. MCS surpassed this benchmark.

The School Administrators' Association of New York State has honored Principal Matthew Sloane as the NY State Secondary Principal of the Year. His forward-thinking approach to education at MCSD has made a significant impact within the community.

MINDFUL EDUCATION

MCS students learn essential social-emotional resilience through a partnership with the PEAR (Partnerships in Education and Resiliency) Institute. The PEAR model builds social-emotional strength that supports student success in school and in life. Additionally, MCS has partnered with Sweethearts and Heroes to promote leadership and positive relationships while also preventing substance abuse.

Curriculum

- **Grading:** Final grades are calculated by averaging grades for all quarters and the final examinations. The highest grade given is 100, and the minimum passing grade is 65. Cumulative averages are not weighted.
- **GPA/Class Rank:** Class rank is weighted. It is calculated as follows: 1.0 = local courses with no prerequisites; 1.03 = Regents-Level courses, as well as local courses with a prerequisite; 1.05 = college-level, AP, and honors courses. More than one student may have the same rank in class. Final rank is calculated after the 7th semester.

Advanced Diplomas

- For an Advanced Regents Diploma, students are required to have at least 22 credits, including 4 English, 4 social studies, 3 math (Algebra 1, Geometry, and Algebra 2), 3 science (including 2 Regents Exams), 1 fine art, a half credit in health, 2 physical education, 3 foreign language (or a 5-unit sequence in fine arts or technology to supplant foreign language), and 1.5 elective credits, as well as passing a minimum of 7 required state Regents Exams.
- For a Regents Diploma, students are required to have at least 22 credits, including 4 English, 4 social studies, 3 math, 3 science, 1 fine art, a half credit in health, 2 physical education, 1 foreign language and 3.5 elective credits, as well as passing a minimum of 5 required state Regents Exams.

COLLEGE IN THE HIGH SCHOOL COURSES

Given the small size of the school and range of programs, students may, at times, have to take a less rigorous course than that which they are eligible for because of scheduling constraints. Program levels are:

1. Advanced Placement (5 courses) and University in the High School (7 courses)
2. Regents and 1 honors course; college preparatory level
3. Local Level; less rigorous, may be college preparatory

AP COURSES

- Environmental Science
- Literature and Composition
- Psychology
- U.S. History
- World History

COLLEGE IN HIGH SCHOOL

- American Politics
- Introduction to Human Communication
- Introduction to Literature
- Micro Economics
- Sociology
- Spanish 4
- Statistics

POST-SECONDARY PLANS

70% of the class of 2024 are attending 2 or 4 year colleges

1% of the class of 2024 is attending trade schools

29% of the class of 2024 are enlisted in the armed forces or entering the workforce

- Students at MCS experience a dynamic blend of student-driven initiatives and opportunities for personal growth. Experiential learning encourages students to explore their interests and passions.

- The student-run store fosters entrepreneurial skills, empowering students to learn the ins and outs of business firsthand.

- The Youth as Leaders Club cultivates leadership skills based on the 7 Habits of Highly Effective Teens and the Future Business Leaders of America Club prepares students for success in the business world. Programs like American Legion Boys State and the Hugh O'Brien Leadership Program offer unique chances for personal development and civic engagement.

- The Future Farmers of America Club allows students to explore careers in agriculture.
